Men can't bear children.

Only women can give birth.

Men can't bear children.

Children annoy them terribly.

I read the book on the plane.

I was on the plane, reading a book.

I read the book on the plane.

The book I read was about planes.

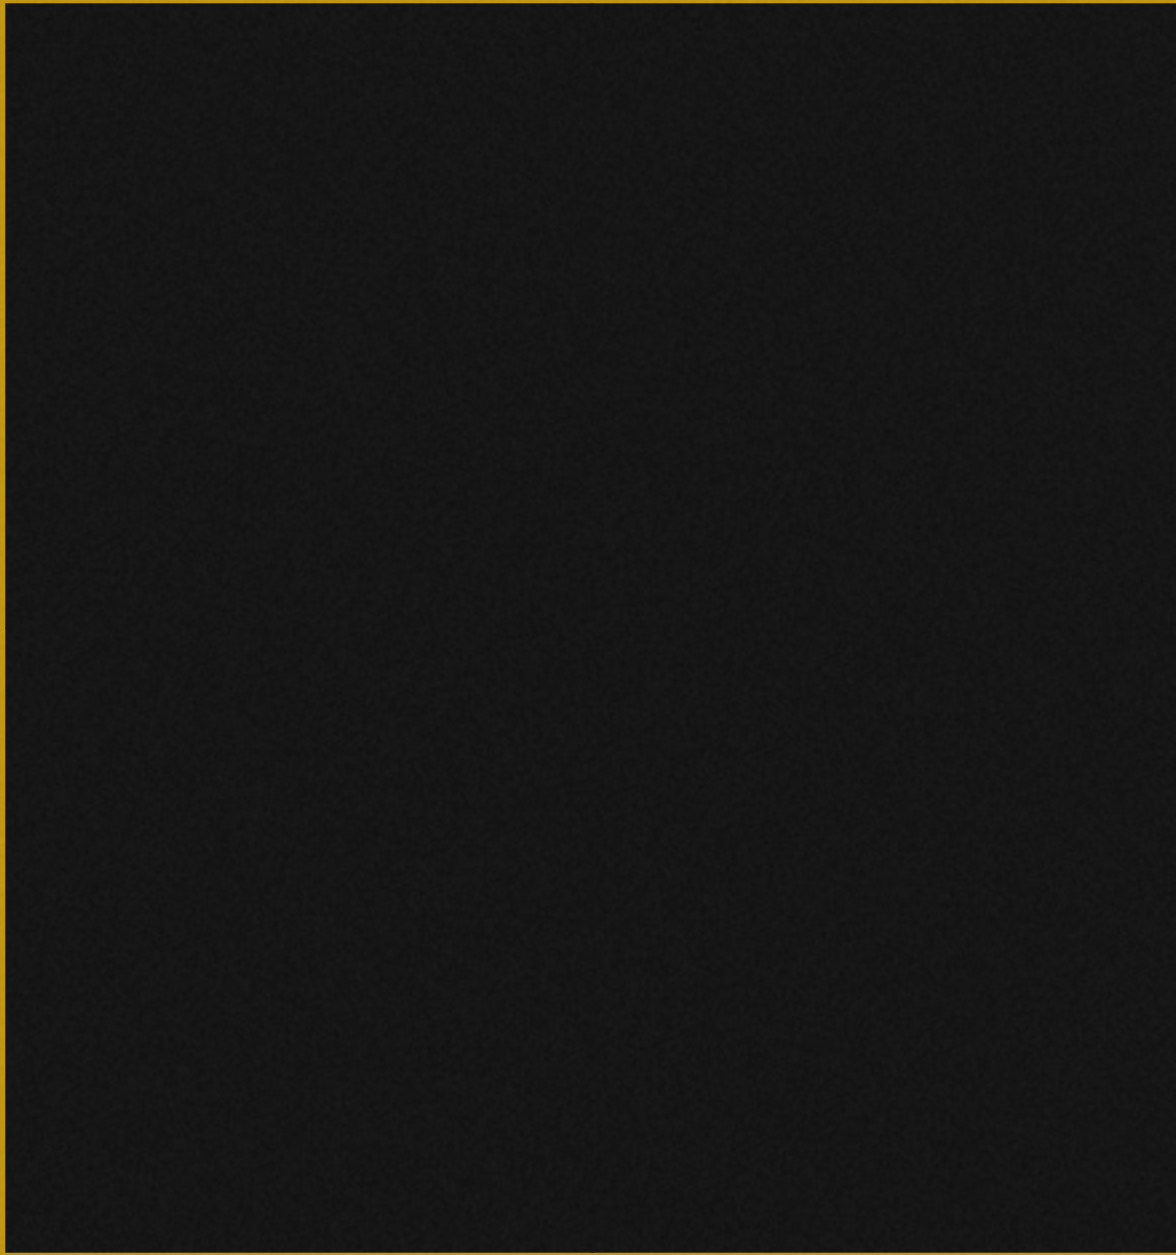

The chicken is ready to eat.

Let me get it from the oven.

The chicken is ready to eat.

It hasn't eaten for days.
